

Park City Surgery Center

WHAT WE ARE: We are an outpatient surgical and procedural facility licensed in the State of Utah.

WHO WE ARE: We are wholly or partially owned by physicians who desired to provide a safe and

comfortable medical facility that would provide efficient and effective services to

patients.

YOUR RIGHTS AS

A PATIENT: You have the right to choose the provider and the facility for your health care

services. You will not be treated differently by your physician if you obtain health

care services at another facility.

YOUR CHOICE: Your physician may have ownership interest in this facility. You have the right to

know this, so if you want to know, please ask. Please discuss with your surgeon your questions or concerns if you want to have your procedure at an alternative health care

facility.

CREDENTIALS: All of the physicians and anesthetists have been credentialed according to regulations

and standards. Information is available upon request.

PATIENT

GRIEVANCE: If patients have complaints or concerns in regard to care at our facility, they are

encouraged to let the manager know. If further review is indicated, patients are urged to fill out a grievance form, which is available upon request at the front desk. Contact information for the Facility manager, for the State and for Medicare are available

below.

ADVANCE DIRECTIVES:

S: If you have an advanced directive or living will and a medical emergency arises, a

surgery center will transfer you to the closest hospital. A surgery center will provide emergency care to stabilize the patient for transfer to a higher level of care. Please discuss with your physician if you have questions, or to have your procedure performed at a facility that will follow your advance directive for do not resuscitate.

A hospital will make decisions about following any advanced directive or living will or a request to not resuscitate should your heart stop or if you should stop breathing. You have a right to have your living will or advance directive information present in our medical record and to be informed of the facility's policy prior to the procedure.

State information and forms to prepare an advance directive or living will if you decide to have one, can be found at the following web site:
